**INFORMATION DISCLOSURE STATEMENT**

Sir:

Applicants submit herewith patents, publications or other information of which they are aware that they believe may be material to the examination of this application, and in respect of which, there may be a duty to disclose.

The filing of this information disclosure statement shall not be construed as a representation that a thorough search has been made, an admission that the information cited is, or is considered to be, material to patentability, or that no other material information exists. Nor shall the filing of this information disclosure statement be construed as an admission against interest in any manner.

This Information Disclosure Statement is filed in accordance with 37 CFR §§1.56, 1.97 and 1.98. The items listed on the accompanying Form PTO-1449 may be deemed to be pertinent to the above-identified application and are made of record to assist the Patent and Trademark Office in its examination of this application. The Examiner is respectfully requested to fully consider the items listed on the enclosed copy of Form PTO-1449 and to independently ascertain their teaching.

No fee is believed to be due under 37 CFR §1.17(p) for this Information Disclosure Statement since it is being filed prior to the mailing of the first Office Action on the merits. If the Examiner has

No fee is believed to be due under 37 CFR §1.17(p) for this Information Disclosure Statement since it is being filed prior to the mailing of the first Office Action on the merits. If the Examiner has any questions regarding this application or suggestions for expediting prosecution, the Examiner is respectfully requested to contact Applicants' attorney using the information set forth below.

Respectfully submitted,
